4X8 23/32 OSB T&G	387	-4	540
Composite Average	361	01	460

Prices are F.O.B. mill, excluding freight

Lumber markets cooled this week in most species. Weather in Texas and the SE slowed the pace at jobsites, and the market slowed as well. GDF has finally shown signs of toppiness after a long stretch of price gains. Dry DF was the outlier this week as it continued to tick up in price. SPF pricing cooled this week as well. OSB continues to slug along, with some secondaries pushing hard to move off pre-Hurricane Dora purchases.
