| 4X8 23/32 OSB T&G | 1650 | 200 | 430 |
| Composite Average | 1,321 | 96 | 337 |

Activity kicked back into high gear this week as buyers jumped in to cover more needs, especially impacting what had been softening SYP dimension prices. Narrows in particular rebounded while other species, which looked poised to perhaps ease as well, rose in price. Same for 9-ft studs - up again. No change in availability of panels, and prices climbed higher on the sparse offerings that did show up. Use caution when making promises - delays continue to be the norm.
