4X8 23/32 OSB T&G	1715	50	400
Composite Average	1,266	56	353

No real changes to the tone & tenor of the commodity markets this week. Prices continue to rise and availability remains of growing concern, especially on EWP and OSB. Reports that more jobs are being delayed due to material shortages are cropping up every day. Additionally, we have heard reports of wall panel plants taking shutdowns. Will this be the kink in the firehose that is this full-blast construction market? Something, somehow, has got to give.
